Mr. William J. Malone
Operations Manager
Private Industry Council of Milwaukee County, Inc.
101 West Pleasant Street, Suite 104
Milwaukee, Wisconsin 53212

Dear Mr. Malone:

This letter is in support of the Private Industry Council of Milwaukee County's application to the Department of Labor to expand the Help-Up Program. This grant will provide much needed services for Milwaukee County's at-risk youth and improve their chances of participating in our local economy and community.

The Year-Round Demonstration Program would be consistent with other county efforts to provide meaningful and educational experience for disadvantaged youth. We look forward to working together on this worthwhile endeavor.

Sincerely

F. Thomas Ament
Milwaukee County Executive
