Mr. Robert Schroeder

Dear Mr. Schroeder:

Several weeks ago, Greg Reiman of my staff contacted you to confirm that you wished to resign your position on the Milwaukee County Personnel Review Board at the end of your term, which expires on 10/31/04. I understand that you had also agreed to step down a month early so that I would have the flexibility to name a new appointee in time for a Personnel Review Board meeting that he otherwise wouldn't have been able to attend. Thank you for allowing me this flexibility in naming my new appointee.

Most importantly, I want to express my gratitude and appreciation to you for your dedication and service to the employees and citizens of Milwaukee County for your many years of outstanding service on this important Board.

I wish you good health and much happiness in the days and years ahead.

Sincerely,

Scott Walker
Milwaukee County Executive
