

OFFICE OF THE COUNTY EXECUTIVE
Milwaukee County
SCOTT WALKER • COUNTY EXECUTIVE

August 2, 2005

Steven Yanick
[REDACTED]

Dear Mr. Yanick:

Thank you for your letter of inquiry and interest in serving Milwaukee County on the Southeast Wisconsin Planning Commission, Regional Transit Authority.

The Milwaukee County Executive has the authority to appoint three members of this Commission. The three current appointees on this commission are: the Milwaukee County Highway and Transportation Superintendent, the Milwaukee County Parks Superintendent, and the Milwaukee County Transit System Director. These three appointees were selected because of their extensive involvement and experience in the issues being considered by the commission. Appointment to this commission requires specialized knowledge, experience, and active high level responsibility in the areas of transportation and land management. This is not the type of commission where it would be appropriate to appoint a citizen member.

The County Executive makes many appointments to various Boards and Commissions, and some of these appointments are citizen members, but even when he appoints citizen members he is looking for people who have relevant experience related to the mission and purpose of the Board or Commission.

If you are interested in pursuing other possible appointments, please send me a copy of your resume and some indication of the issue areas that you are interested in.

Thank you.

Sincerely,

Greg Reiman
