Tariq Akmut  

Dear Mr. Akmut:

I would like to express my sincere appreciation for your 14 years of service on the Milwaukee County Local Emergency Planning Committee (MCLEPC). Your knowledge of the hazardous materials planning program and representation of industry has contributed to the success of the MCLEPC.

As you are aware, MCLEPC members serve at the pleasure of the Milwaukee County Executive. Historically, the MCLEPC Industry Representatives are employees of companies located in Milwaukee County. However, in view of the fact that you are no longer an employee of a company located in Milwaukee County, I would like to take this opportunity to appoint a new MCLEPC Industry Representative who is currently employed in Milwaukee County.

Again, thank you for your service to the citizens of Milwaukee County.

With best regards,

Scott Walker  
Milwaukee County Executive
