

## Economic Success in Milwaukee County

County Executive Scott Walker understands that government doesn't create jobs, people do. But he does know that government can create an environment that is better or one that is worse for doing business. During his tenure, County Executive Walker has worked to create an environment that is better for job creators.

Under his leadership, Milwaukee County worked with the City of Wauwatosa to attract some 2,000 jobs to the Milwaukee County Research Park as part of the expansion of GE Healthcare. Overall, the research park has added XXX value since Walker first took office.

The Milwaukee County Grounds are home to numerous medical institutions. With the support of County Executive Walker and the county, several of the partners in the Milwaukee Regional Medical Center have grown over the past several years. XXXX

Milwaukee County operates General Mitchell International Airport.
