Milwaukee, WI – Milwaukee County Executive Scott Walker and Board Chairman Lee Holloway released the following joint statement in reference to the investigation of past pension practices in Milwaukee County:

“We fully support the investigation into the now-discontinued pension buy-back and buy-in programs in Milwaukee County. When questions were first raised, it was the County Corporation Counsel and Department of Audit who brought them to the District Attorney’s attention. We fully support the District Attorney’s investigation and encourage all County employees to cooperate. The County is committed to a thorough and comprehensive review, including any allegations of misconduct. We will also ensure that the DA is fully equipped to complete this investigation.”
